

Grant MonoWave Heat Pump Cylinder

ErP 'A' Rated duplex stainless steel, indirect single coil 200 litre cylinder, specifically designed to be used with air source heat pumps. This model offers incredibly high energy efficiency for the end user.

Features

- 200 litre model
- Designed to maintain temperature for longer
- ErP 'A' Rated
- WRAS approved
- 1mm duplex 2304 stainless steel construction
- 40mm foam insulation
- Global warming potential (GWP) = less than 3
- Ozone depletion potential (ODP) = 0
- Compression fittings
- No anode required
- Immersion element
- 25-year material guarantee on store shell (subject to T&C's)
