

Quality Policy Statement

Grant Engineering (UK) Ltd is committed to providing our customers with, on time and a competitive cost, a fault free and reliable service.

Grant Engineering (UK) Ltd continually reviews and improves our management system and its processes through regular internal audits.

Measurable objectives are set by management, and it is essential that an effective Quality Management system is developed, implemented, and reviewed to ensure it complies with ISO 9001:2015 and customer requirements.

Grant Engineering (UK) Ltd attends regular client meetings to identify if there are any concerns or if there are additional services/products we can offer.

The procedures and processes outlined in the Quality Documentation are there for the purposes of ensuring staff understand the customers, statutory and regulatory requirements.

This policy is documented, implemented, maintained, and communicated to all employees and sub-contractors working on behalf of the company through regular information on the status of our Quality Management system.

To ensure company and public awareness of this policy, it will be displayed in a prominent position within the organisation and in an area that is accessible by the public.
