

## **Sustainability Policy Statement**

This policy outlines Grant Engineering (UK) Ltd.'s position in relation to Sustainability.

Grant Engineering (UK) Ltd recognises that its activities have an impact on the Environment and in conjunction with our Environmental Policy we are committed to, where possible, operating sustainably and promoting sustainability.

Sustainability is integral to our company vision and the leadership of our organisation.

Our Sustainability Policy is based upon the following principles:

- To comply with, and exceed where possible, all applicable legislation and regulations
- To integrate sustainability considerations into all our business decisions and processes
- To minimise waste by reduction, re-use, and recycling
- To review and continually strive to improve our sustainability performance
- To ensure that all staff are fully aware of our Sustainability Policy and are committed to implementing and improving it
- To make customers and suppliers aware of our Sustainability Policy
